

# GEM CITY PLASTIC MACHINERY, INC.

SERVING THE GREAT LAKES REGION SINCE 1978

## Technical Solutions for Plastic Processors from Industry Leaders

### INJECTION MOLDING

#### YIZUMI-HPM

**Injection Molding Machinery - 65 to 9,350 tons clamp**

Servo Hydraulic, 2-Platen, Fully Electric, High Speed Packaging, Multi-Color/Multi-Component, Fully Automated Manufacturing Cells

#### Automation Available

Servo Robots, Sprue Pickers, Custom EOAT, Pedestal Robots, Automated Cells

### BLOW MOLDING

#### DAVIS-STANDARD

**Blow Molding Systems - STERLING - FHB - HARTIG**

Accumulator Head & Shuttle Blow Molding Machines, 3 to 100 Pound Head Capacity

### MATERIAL HANDLING

#### MAGUIRE PRODUCTS, INC.

**Factory Authorized Representative**

Gravimetric Blenders, Color Feeders, Liquid Pumps, Low Pressure Dryers, Clear-Vu Vacuum Loading Systems, Purge Recovery Systems, Gaylord Sweepers

#### COMET PLASTIC EQUIPMENT

Hopper Loaders and Receivers, Central Vacuum Conveying Systems, Regrind Proportioning Valves, Honeycomb Dryers, Compressed Air Dryers, Vision Systems

### SIZE REDUCTION

#### CUMBERLAND

Behind-the-Press Granulators, Central, Thermoforming, and Screenless Granulators, Shredders, Recycling Equipment

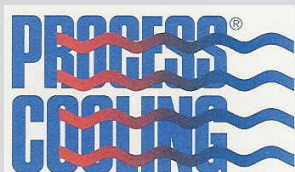

### TEMPERATURE CONTROL

#### MOKON

**Circulating Fluid Media Temperature Control Systems**

Circulating Water/Hot Oil Temperature Control Systems, Portable and Central Chillers, Cooling Towers, Negative Pressure Systems

#### PROCESS COOLING SYSTEMS, INC.

**Circulating Fluid Media Temperature Control Systems**

Plant Process Water Systems, Cooling Towers, Central Chillers, Pump Tanks, Filtration Systems and Plant Piping Installation
